

## **Supplier Risk Analyst Based in London**

Are you a Supplier Risk Analyst with experience in 3<sup>rd</sup> Party Enterprise Risk? Are you looking to grow within a company who will provide you with all the support necessary to deliver excellent services to clients in multiple verticals including Retail, Finance, Banking, Travel, Infrastructure and E-commerce at an Enterprise Level?

ZeroDayLab has an exciting new position, embedded for the short term with one of our top clients in the retail sector. This role can then evolve into a specialist Supplier Evaluation Risk Management consultant or GRC role.

The culture that you will be working in will be one of dynamism and strong teamwork. We are looking for individuals that can listen, absorb, analyse, assess and report information security issues to clients confidently and effectively. You will be on this key client's site fully to start with, but have the Governance, Risk and Compliance team behind you remotely for support.

### **Roles and Responsibilities**

- Information gathering from key stakeholders, carrying out effective 3<sup>rd</sup> party risk assessments
- Effective communication with key stakeholders throughout the 3<sup>rd</sup> party risk assessment process
- Identification and management of all key stakeholders throughout the 3<sup>rd</sup> party risk assessment process
- Ability to communicate information security threats, vulnerabilities and their impact with recommendations to our client and 3<sup>rd</sup> party suppliers who will come from both technical and non-technical backgrounds
- Development of KPI's/Metrics on a weekly, monthly and ad hoc basis to stakeholders within our clients 3<sup>rd</sup> party suppliers
- Development of KPI's/Metrics on a weekly, monthly and ad-hoc basis to our client stakeholders

### **Attributes**

- Proven Experience in 3<sup>rd</sup> party risk analysis is a bonus
- An interest in Information Security/ISO/GDPR etc...is a bonus
- Experience in client facing engagements working at enterprise level

- Excellent report writing skills
- Excellent written and verbal communication skills

### **Desirable skills**

- Industry relevant qualifications (CISA, CISMP, CISSP, ISO 27001 LA/LI) are a bonus, but we will train the right candidates.

This role is based from our client site in London.

The successful candidate will need to provide suitable references and will be required to have background clearance checks, employment will be subject to the results of this screening.

If you are interested in the exciting new opportunity, please provide your current CV and contact details to Adam Ryan, Global Talent Acquisition Manager at ZeroDayLab, [aryan@zerodaylab.com](mailto:aryan@zerodaylab.com) .
